Dear Esteemed Partners,

Subject :Invitation to Participate in the Student Mobility Program 2026 at PSU Pattani

On behalf of Prince of Songkla University (PSU), Pattani Campus, Thailand, we are honored to invite students from your institution to participate in our Student Mobility Program for one full semester, scheduled from 22 June to 26 October 2026. The program is designed with flexibility in mind; the start and end dates may be adjusted where necessary. Should any participating students need to arrive a bit later than the official start date or return to their home university prior to the program's conclusion, arrangements may be discussed directly with the program coordinator.

This initiative aims to promote academic collaboration and cultural exchange, with active participation from universities across Southeast Asia. Eligible students will receive a full tuition fee waiver and, upon successful completion of the program, will be awarded an official academic transcript with transferable credits, along with a certificate of participation. We would be most grateful for your kind support in disseminating this opportunity and encouraging interested students to apply.

Should you or your students require further information, we would be pleased to arrange an online meeting at your convenience. Additional details about the program can be found on our PSU Pattani Student Mobility Program website: <https://www.psu.ac.th/pattani/en/?page=SMP> For further information, please feel free to contact the program coordinator, Mr. Muhammad Masor, via email at [muhammad.m@psu.ac.th](mailto:muhammad.m@psu.ac.th) or via WhatsApp at +66 84 397 9317.

We look forward to the privilege of welcoming your students to PSU Pattani and providing them with a meaningful and enriching academic experience.

Sincerely yours,

#sg01#
